THYRONOURISH™ TARGET CUSTOMER:

Health-conscious adults aged 30-60 seeking natural support for healthy metabolic function and overall vitality. They're interested in natural solutions to support their thyroid health and overall endocrine function. They research supplements thoroughly and are willing to invest in quality products that provide holistic wellness benefits.

Have you checked in with your thyroid recently? ThyroNourish™ provides comprehensive support for this master gland, supplying essential minerals, vitamins, and adaptogens to optimize its function. By nourishing your thyroid, ThyroNourish helps regulate normal metabolism, energy production, and overall bodily balance. Unlike single-nutrient supplements, our full-spectrum formula works holistically to maintain thyroid vitality by nurturing the body's natural balance. When your thyroid is supported, your whole body feels it.

LET'S TALK INGREDIENTS:

Thyroid Support

Coleus forskohlii root extract: Coleus forskohlii root extract is deeply rooted in Ayurvedic medicine and in our formulation for ThyroNourish. Rich in forskolin, it aids in weight management by maintaining cyclic AMP (cAMP) levels, thereby regulating normal metabolism.

Suma Root: Also known as "Brazilian Ginseng," contributes to the formula with its ability to support balance and vitality. Derived from *Pfaffia paniculata*, it offers a diverse array of phytochemicals for overall well-being. As an adaptogen, it aids in normal stress resilience, maintains energy levels, and supports the immune system.

Guggul extract: Derived from the resin of the *Commiphora mukul* tree, contains guggulsterone, a natural remedy with roots in traditional Indian medicine. It assists in regulating balanced thyroid hormones and healthy weight management, highlighting nature's therapeutic potential for overall

Blue Flag Root: Blue Flag Root enriches the formula with its diverse nutrient profile, featuring natural compounds like iridoids and tannins. Celebrated for its potential to support continued digestive health and aid in normal

Bladderwrack: Bladderwrack is a nutrient-rich coastal seaweed, rounds out the formula with its iodine content, offering thyroid support. Additionally, it may assist in maintaining healthy skin and normal weight management, harnessing the natural goodness of marine herbs.
